

The Lost Art of Networking

How to Become a Master Networker

Do you hate networking?

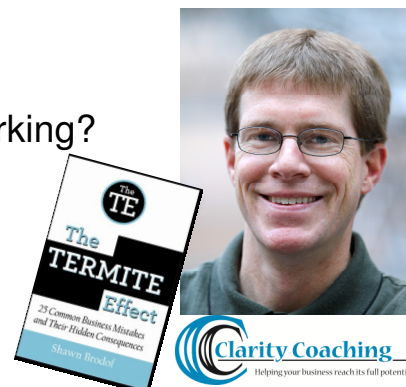

Do you feel awkward at networking events?

Do you wish you had a plan of attack when it comes to networking?

Join us for an interactive workshop with

Shawn Brodof, business coach and author of

“The Termite Effect – 25 Common Mistakes and Their Hidden Consequence”

This workshop introduces the three components of becoming a Master Networker:

- The paradigm shift
- A robust contact management system
- Execution

Discussion includes:

- The concept of 'running for office'.
- How to build relationships, build a reputation and build your network.
- Practical steps and tactics to use in networking situations.
- What effective networking IS and what it is NOT.
- The Charismatic Fisherman.
- What successful networkers have in common with great leaders.
